1. The question raised in this file is an important one & relates to the jurisdiction of the Board of Commissioners appointed under the Madras Hindu Religious Endowments Act, No. I of 1925 over property belonging to a Mutta the Headquarters of which are situated in Madras Presidency.

The solution of this question depends on the scheme of the Act, which can be gathered from the language used in the Act itself. The intention of the Legislature

Preamble shows that the Act was passed to provide for the better governance & administration of certain religious endowments.

Religious endowments is defined to mean all property belonging to, or given or endowed for the support of, Mutts or temples &c —

'Temple' means a place of religious worship dedicated to Hindu Community.

By Sec 2, the act is made applicable to all Hindu public religious endowments situated in Madras Presidency.

Mutt means an institution for the promotion of the Hindu religion presided over by a person whose duty it is to engage himself in Spiritual service —

(6

Serial No

Under Sec. 36, the trustees (in the case of hereditary trustees) of every religious endowment is bound to administer its affairs & to apply the funds & properties of such endowment in accordance with the terms of the trust

All municipal laws are promulgated to bind only the property within the territory of its sovereign, its subjects.

The property belonging to a mat & situated in Madras Presidency is subjected to the jurisdiction of the Board of Commissioner as the act is made applicable to religious endowments by Sec 2 not to mat & its pontiff who may not be British subject.

The aim & object of the Act Seem 6 be to control the income of the property endowed & not to touch the private character of its owner

(b) In the present case, the property in question is undoubtedly come within the definition of religious endowment & come within the operation of Sec 2. If there is a temple & the branch mutt also. Sec 34 applies Hence it is incorrect to say that the Act has no application to property & in India on the ground that the Head quarters of the mutt to which it belongs, are in foreign State.

47 This is rather a difficult case. Whether a/ there are conflicting interests. In the circumstances explained by the Chief Court it seems desirable that the Ruler should continue to be entrusted management during the minority of the Prince. So long as there is no legally appointed guardian. If this is accepted satisfactory arrangements should be made for looking after the properties.

The responsibility in regard to the management of the properties entitled the State is particularly heavy as pointed out in the note it is undesirable that Sahukars should be the agents, as the case with the litigation is likely to be considerable.

48) The question of appointing a paid manager for the management of these properties under the Control of the D.C. may be considered.

49) I do not think there is any legal objection to the person of the Chief Court to appointed Khanji Rama Chavda as guardian, & thus make him responsible for the internal management of the Madhya & education of the Prince, under the financial supervision of the D.C. The Chief Court proposes that a Committee of Officials working with the associated with the D.C. in the capacity of in the internal management of the Mandi & the education of the Prince.

The matha in question has its head-quarters at Thirthahal and its management is ---- temporarily vested in Government. The endowments within the State are -- more extensive than those in the Madras Presidency. The act itself is -- silent about its applicability to I stitutions which though they possess some properties in the Presidency, have their head-quarters outside the --- same. Sec.2, Clause 1 of the Act says that it extends to the whole of the Madras Presidency except Madras Town. Most of the important Mathas of the Smartha and Madhwa communities have their head-quarters in Mysore and a decision in the case of the Sheemamakhe Matha will have far-reaching results. As a reply to the Presidents communications has to be sent on or before the 31st July 1925, I request to be favoured with orders Government as early as practicable.

Sir,

Adverting to your letter No. 1425 dated 24-7-1925 forwarding copy of Shimoga Deputy Commissioner's letter submitting Memoranda Nos. 45 and 105 from the President of the Board of Commissioners for Hindu Religious Endowments, Madras, calling for particulars regarding the Bhimanakatte Mutt in the Tirthahalli Taluk, and requesting the opinion of the Secretary, Legislative Department, about the applicability of the Act to the Mutts which have their Head-quarters within the State, I am directed to observe as follows

Revenue Department.

Sir,

With reference to your letter No.264/M.F.63-25-2 dated 28th August 1925, I have the honor to state that Ved. Bodhacharya was - installed as Guru of the Bheemanakatte Matha on 9th August 1925 -- under the Titular name of Sri Raghu Tilaka Thirtha Swami and this fact has also been recorded in Government order No.255-57/M.F.47-25-5 dated 26th August 1925. The charge of the affairs of the - matha and its properties still continue to be under Government and the question of restoration is being separately dealt with in a - report received to-day, the Deputy Commissioner is of opinion that "the properties may continue to be under Government management until the Swamigalu comes of age unless the Government permits the ---- guardian to manage the properties on his furnishing sufficient cash security which it is reported to be not less than a lakh of rupees." The matter requires further consideration and a detailed report will be separately submitted.

As the settlement of these questions will take some time and as a reply to the Board's communication has to be sent without delay, I shall, if approved, instruct the Deputy Commissioner in his capacity as sole Trustee for the matha (Vide G.O.No.C.E./Muz. dated 25th June 1923) to apply to the Board of Commissioners for exemption from the operation of the act. I solicit the favour of early instructions in the matter.

I have the honor to be,
Sir,
Your most obedient servant,
C S Balasundaram Iyer
Muzrai Commissioner.

The report submitted by the Sub Division Officer is exhaustive and -- deals fully with the matters requiring further orders.

2. To summarise, the proposals now made are to the following effect:--

(a) That Udipi Ramacharya, Swamy's uncle in Purvasrama may be - appointed as Guardian during the latters minority and that he should as Parpathegar in place of Hayagrivachar be -- responsible for the internal management of the matha and the education of the Swami;

The Deputy Commissioner agrees with the above recommendat

3. Having regard to the local factions and the alleged ---- impecunious condition of the Swamigalu of the Bhandarkere matha- who is sure to have some influence over the minor Swami as his spiritual preceptor - I am of opinion that it is best to continue the management under Government till the Swamigalu comes of age, satisfactory arrangements being made for the training and educatior of the Swamigalu. Some local gentlemen of light and leading may be associated with the Deputy Commissioner in helping him in the internal management of the matha and the education of the Swamigalu. If these recommendations are kindly accepted by Government, I shall formulate definite proposals and take the necessary further action in consultation with the Deputy Commissioner.
